Service Projects

In partnership with communities East of the River, Alliance members volunteer their time and energy to support events that foster an improved living and working environment for all. Recent events included rebuilding homes and Earth Day Cleanup.

Alliance for Holistic Living

A group of individuals who practice holistic living through their personal lives and their businesses. Alliance members include anyone interested in supporting holistic living; some are practitioners, some have holistic businesses and some simply have an interest. All are welcome.

"I felt a pull to give back to the community in gratefulness for all the blessings in my life."

"It's our way to give people another way to see the world we all live in together."

"I enjoy being part of a community of committed holistic people."

"The Alliance is an opportunity to help people shift."

"It affords me the opportunity to pay it forward."

"It gives me the opportunity to educate people on many different healing modalities, all for free."

We value

"the opportunity to create new possibilities through collaborative ventures with individuals, organizations and communities."
